

BLOW MOULDING

Interior | Under the hood

2 Platforms
1300 Products / day
0.47 Million products /year

HVAC Air Ducts
Air cleaner Air Ducts
Fuel tank -two wheelers
Reservoir tanks
Resonator parts
Air cleaner parts

BRIGHT AUTOPLAST leverages it's technology base into development of blow molded air ducts & fuel tank parts.

It serves the modern platforms in Passenger cars & SUV sector .

State of Art manufacturing facilities with Blow molding, Hot plate & ultrasonic welding & assembly.

PRODUCT LINE

PROCESS LINE

Process Involved	Capacity
Blow Molding	30L – 100L
Ultrasonic Welding	SPM
Bubble cutting	SPM

Manufacturing Location
